- The Spring Festivals met their final fulfillment in the installation of Jesus as Priest in heaven, and the outpouring of Spirit as a sign of that.
- The gospel preached in the New Testament after Pentecost exalted Jesus Christ as the truth of the gospel--God is unselfish, meek, and lowly. His kingdom is based on self-sacrificing love. This is its secret to overcoming sin, and lasting forever.

DA 21.2

EXALT THE CROSS!

- “That which alone can effectually restrain from sin in this world of darkness, will prevent sin in heaven. The significance of the death of Christ will be seen by saints and angels. Fallen men could not have a home in the paradise of God without the Lamb slain from the foundation of the world. Shall we not then exalt the cross of Christ?”

EXALT THE CROSS!

- “The angels ascribe honor and glory to Christ, for even they are not secure except by looking to the sufferings of the Son of God. It is through the efficacy of the cross that the angels of heaven are guarded from apostasy. Without the cross they would be no more secure against evil than were the angels before the fall of Satan. Angelic perfection failed in heaven. Human perfection failed in Eden, the paradise of bliss.

EXALT THE CROSS!

- “All who wish for security in earth or heaven must look to the Lamb of God. The plan of salvation, making manifest the justice and love of God, provides an eternal safeguard against defection in unfallen worlds, as well as among those who shall be redeemed by the blood of the Lamb. Our only hope is perfect trust in the blood of Him who can save to the uttermost all that come unto God by Him.

EXALT THE CROSS!

- “The death of Christ on the cross of Calvary is our only hope in this world, and it will be our theme in the world to come. Oh, we do not comprehend the value of the atonement! If we did, we would talk more about it. The gift of God in his beloved Son was the expression of an incomprehensible love. It was the utmost that God could do to preserve the honor of his law, and still save the transgressor.

EXALT THE CROSS!

- “Why should man not study the theme of redemption? It is the greatest subject that can engage the human mind. If men would contemplate the love of Christ, displayed in the cross, their faith would be strengthened to appropriate the merits of his shed blood, and they would be cleansed and saved from sin. There are many who will be lost, because they depend on legal religion, or mere repentance for sin.

EXALT THE CROSS!

- “But repentance for sin alone cannot work the salvation of any soul. Man cannot be saved by his own works. Without Christ it is impossible for him to render perfect obedience to the law of God; and heaven can never be gained by an imperfect obedience; for this would place all heaven in jeopardy, and make possible a second rebellion.” {ST, December 30, 1889 par. 4}

SUMMARY

SUMMARY

- “Suppose Christ should abide in every heart and selfishness in all its forms should be banished from the church, what would be the result? Harmony, unity, and brotherly love would be seen as verily as in the church which Christ first established. Christian activity would be seen everywhere. The whole church would be kindled into a sacrificial flame for the glory of God.

SUMMARY

- “Every Christian would cast in the fruit of his self-denial to be consumed upon the altar. There would be far greater activity in devising fresh methods of usefulness and in studying how to come close to poor sinners to save them from eternal ruin.” {5T 206.1 }
