By pouring the whole treasury of heaven into this world, by giving us in Christ all heaven, God has purchased the will, the affections, the mind, the soul, of every human being. When man places himself under the control of God, the will becomes firm and strong to do right, the heart is cleansed from selfishness, and filled with Christlike love. The mind yields to the authority of the law of love, and every thought is brought into captivity to the obedience of Christ.

It will be seen that the glory shining in the face of Jesus is the glory of self-sacrificing love. In the light from Calvary it will be seen that the law of self-renouncing love is the law of life for earth and heaven; that the love which "seeketh not her own" has its source in the heart of God; and that in the meek and lowly One is manifested the character of Him who dwelleth in the light which no man can approach unto. {DA 19.2}

We have come to a time when every member of the church should take hold of medical missionary work. The world is a lazar house filled with victims of both physical and spiritual disease. Those who have been enlightened by the truth are to be light bearers to the world. To hide our light at this time is to make a terrible mistake. The message to God's people today is: "Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee." {7T 62.1}
