(The verse order from the earlier overviews has priority below. The shaded areas reflect the issues connected to the *local* picture of Israel in Palestine before the end of the 70 weeks of *Daniel 9*, when Israel becomes global. The numbers in parentheses are Strong's Concordance numbers. Recall that Chap. 2 & 7 are in Aramaic. Note the sections: first row of general description; other rows of specifics; "till" section dealing with time; transition)

Note: Consider the implications that Revelation's descriptions of the fourth kingdom (dragon, beast, false prophet) have for Daniel's descriptions above of its activity.

Footnotes: (2) Gal. 4:24-26; Heb. 7:21, 22; 10:16, 29; 12:22-24

(3) Three occurrences of "till" with "time of the end" (bolded verse numbers); 12:40 is "at the time of the end"
