

Titles and Functions Ellen White Used for All Three

Notes:

1. Consider the dates (sorted by earliest noted); these appear to start in 1900 and continue through 1909 in their initial uses, and in their further uses, in her lifetime.
2. The frequency of use in all published works does not accurately reflect how she was led to use them in her lifetime, as many other references are from compilations after her death.

Searches done (not as phrases but any paragraph in which these words occurred anywhere):

1. "three father son spirit"
2. "three father son ghost"
3. "eternal heavenly dignitaries"
